

# Imagination sheet

What possible actions have you already considered?

How could you overcome potential obstacles?

How could you possibly motivate and empower others to be involved?

How could others possibly help you?

What possible obstacles might you face?

What possible tasks will need completing?

What resources might you possibly need?

What limitations are you placing on your own abilities?

What else?

How else could you gain or involve the expertise you require?

Who else could you gain buy-in from & involve?

What else could you possibly do?
